- Issue Resolved by This Hotfix
- Installation Instructions

## Affected Products

This hotfix applies to all language versions of the following product:

- Autodesk® Infrastructure Map Server 2013

## Issue Resolved by This Hotfix

In Autodesk® Infrastructure Map Server 2013 installer, the dbxml.exe file is missing from the equivalent folder.

This causes at least two batch files in the RepositoryAdmin folder to fail when running a repository upgrade from 2009 or later release based on the online help instructions:

[http://wikihelp.autodesk.com/Infr. Map Server/enu/2013/Help/0008-Install0/0008-Install8/0009-Upgrade\\_9](http://wikihelp.autodesk.com/Infr. Map Server/enu/2013/Help/0008-Install0/0008-Install8/0009-Upgrade_9)

## Installation Instructions

- Download and unzip the related DBXML.exe to your local machine.
- Copy DBXML.exe to C:\Program Files\Autodesk\Autodesk Infrastructure Map Server 2013\Bin\
- Follow the steps from the online help to do the repository upgrade:  
[http://wikihelp.autodesk.com/Infr. Map Server/enu/2013/Help/0008-Install0/0008-Install8/0009-Upgrade\\_9](http://wikihelp.autodesk.com/Infr. Map Server/enu/2013/Help/0008-Install0/0008-Install8/0009-Upgrade_9)

## Notes

If you meet errors after running setuprepositoryindices.bat at step 11:

- The following error can be ignored if you are using FilePerSession:

*--- Setting up Session repository indices...*

*Attempting to join environment: C:\Program Files\Autodesk\Autodesk Infrastructure Map Server 2013\RepositoryAdmin\..\Repositories\Session*

*Unable to join environment C:\Program Files\Autodesk\Autodesk Infrastructure Map Server 2013\RepositoryAdmin\..\Repositories\Session, creating a DB\_PRIVATE environment*

*SetupRepositoryIndices.Script:1: openContainer failed, Error:*

*MgSessionResourceContents.dbxml: container file not found, or not a container*

- If you meet any other errors, please do:
  - Start 'Infrastructure Map Server 2013' service.
  - Stop 'Infrastructure Map Server 2013' service after it starts.
  - Run setuprepositoryindices.bat again.
