Disclaimer: All information on the list is subject to change without notice. Autodesk makes no representation as to the accuracy or reliability of the information. Any use of the information in this list is without recourse to Autodesk, and is at your own risk. Autodesk is not responsible for any damages, either direct or indirect, suffered by you or your customer as a result of using the information contained herein. Unless otherwise authorized under U.S. export control regulations, you agree not to export, re-export, or otherwise transfer Autodesk products or services, documentation, or technical data (or direct products thereof) to any U.S. sanctioned country, prohibited end-user or for any restricted end use, including, without limitation, design, analysis, simulation, estimation, testing, or other activities related to nuclear, chemical/biological weapons, rocket systems or unmanned air vehicles applications. Autodesk assumes no responsibility for your failure to obtain any necessary export approvals.

HTSUS: Under the Harmonized Tariff Schedule of the United States, HTSUS numbers for Autodesk products are 8523.40.2010 for CD-ROM and DVD, 8523.51.0000 for USB flash drives, and 4901.99.0000 for manuals.

HS: Under the European Community Harmonized Commodity Description and Coding System, HS numbers for Autodesk products are 8523.40.2500 for CD-ROM, 8523.40.5100 for DVD, 8523.51.1000 for USB flash drives, and 4901.99.0000 for manuals.
