Autodesk Mudbox 2010 – Service Pack 1 – Release Notes

(Windows XP®, Vista®, and Mac OS X)

This document contains important information regarding the Autodesk Mudbox® 2010 – Service Pack 1 and instructions for installation.

For information on the specific improvements contained in Mudbox 2010 Service Pack 1, see the **What's fixed** section in the Mudbox Help at:

www.autodesk.com/mudbox-docs-v2010-releasenotes

Important:

- You must be logged in as system administrator to install Autodesk Mudbox 2010 – Service Pack 1.
- You must uninstall Mudbox 2010 and delete your Mudbox user settings before installing the update.
- If operating Mudbox in a network license configuration, you should install Autodesk Mudbox 2010 – Service Pack 1 on all client machines.

Step 1: Download Autodesk Mudbox 2010 – Service Pack 1

From the Mudbox **Data and Downloads** page, download the appropriate file for your operating system:

32-bit Windows:	autodesk_mudbox_2010sp1_english_win_32bit.exe
64-bit Windows:	autodesk_mudbox_2010sp1_english_win_64bit.exe
Mac OS X:	autodesk_mudbox_2010sp1_english_mac_osx.dmg

Step 2: Uninstall Mudbox 2010

Windows XP
1. Open the **Add or Remove Programs** dialog box: `Start > Settings > Control Panel`
2. Select **Autodesk Mudbox 2010**.
3. Click **Remove**.

Windows Vista
1. Open **Programs and Features** in: `Start > Control Panel`
2. Select **Autodesk Mudbox 2010**.
3. Click **Uninstall**.

Mac OS X

If your computer is running Mudbox using Mac OSX version 10.5.X, do the following:

1. Navigate to: `/Applications/Autodesk/Mudbox2010`
2. Double-click the application: **Uninstall Mudbox 2010.uninst**

If your computer is running Mudbox 2010 using Mac OSX version10.6.x, do the following:

1. Navigate to: `/Applications/Autodesk`
2. Drag the `Mudbox2010` directory to the Trash.

Step 3: Delete Mudbox 2010 user settings

Windows XP
1. Navigate to: `<drive>:\My Documents\Mudbox\2010` (Windows XP 64: `2010-x64`)
2. Delete the **settings** folder.

Windows Vista
1. Navigate to: `<drive>:\Users\<username>\Documents\Mudbox\2010` (Windows Vista 64: `2010-x64`)
2. Delete the **settings** folder.

Mac OS X
1. Navigate to: `/Users/<username>/Library/Preferences/Mudbox/2010`
2. Delete the **settings** folder.
3. Navigate to: `/Users/<username>/Library/Application Support/Autodesk`
4. Delete the **Mudbox 2010** folder.

Step 4: Install Mudbox 2010 – Service Pack 1

1. Double-click the **.exe** or **.dmg** file you downloaded to launch the installer.
2. Follow the instructions and click **Next** when prompted.
3. Click **Finish**.

If you encounter any installation or licensing issues, consult the `Mudbox 2010 Installation Guide`:
