

# Recommended Minimum System Requirements

## Software

The **32-bit** version of Autodesk® Softimage® 2013 software is supported by any of the following operating systems:

- Microsoft® Windows® 7 Professional operating system (SP1)
- Microsoft® Windows® XP Professional operating system (SP3)

The **64-bit** version of Softimage 2013 software is supported by any of the following operating systems:

- Microsoft Windows 7 Professional operating system (SP1)
- Microsoft Windows XP Professional x64 Edition (SP2)
- Fedora™ 14 operating system

Softimage 2013 **32-bit** and **64-bit** software requires the following supplemental software:

- Microsoft® Internet Explorer® 7 internet browser or higher
- Mozilla® Firefox® web browser

# Hardware

At a minimum, the **32-bit** version of Softimage 2013 software requires a system with the following hardware:

- Intel® Pentium® D processor workstation (or higher)
- Certified hardware-accelerated OpenGL® 1.5 (or higher) professional graphics card with latest graphics driver available from vendor
- DirectX® 9.0c application programming interface and higher (recommended for support of the advanced features of DirectX 9 application programming interface)
- 1.5 GB free hard drive space. Setup requires additional temporary disk space for the system's temporary folder when decompressing files during installation.
- 2 GB of RAM
- 1,280 x 1,024 screen resolution recommended
- Three-button mouse
- Network adaptor with internet connection for licensing
- DVD-ROM drive

At a minimum, the **64-bit** version of Softimage 2013 software requires a system with the following hardware:

- Intel Pentium D processor workstation (or higher)
- Certified hardware-accelerated OpenGL 1.5 (or higher) professional graphics card with latest graphics driver available from vendor
- DirectX 9.0c and higher (recommended for support of the advanced features of DirectX 9 application programming interface)
- 1.5 GB free hard drive space. Setup requires additional temporary disk space for the system's temporary folder when decompressing files during installation.
- 4 GB of RAM
- 1,280 x 1,024 screen resolution recommended
- Three-button mouse
- Network adaptor with internet connection for licensing
- DVD-ROM drive

For the latest list of certified hardware, including graphics cards, to run Softimage 2013, refer to the Softimage 2013 certification chart located at <http://www.autodesk.com/softimage-hardware>.
